

**To whom it may concern**

26. November 2014

This to certify, that **Safedrive Africa Foundation (SDAF)** Nairobi, Kenya is a member of Global Alliance of NGOs for Road Safety (the Alliance).

The Alliance is a not-for profit organization registered as non-governmental organization under Swiss Civil Code (art 60-79) and has its legal seat in Switzerland. The Alliance represents more than 140 road safety NGOs active in over 90 countries. Our aim is to make roads safer for all road users by advocating for road safety and the rights of victims.

Founded in 2012, the Alliance is open to NGOs around the world and is an international platform through which all members can express their ideas and share their road safety knowledge and experience.

The Alliance is committed to facilitating cooperation on global road safety efforts and implementation of the recommendations of the Global Status Report on Road Safety as well as the goals for the Decade of Action for Road safety 2011-2020.

Through events such as World Day of Remembrance and the Long Short Walk, the Alliance and its members take part in the international road safety agenda as set by UNRSC. Furthermore, the Alliance has organized Global Meetings of NGOs Advocating for Road Safety and Road Traffic Injury Victims, distributed grants to 40 NGOs to implement events during the second UN Global Road Safety Week, and facilitated members' efforts to commemorate the World Day of Remembrance.

Yours sincerely,

Lotte Brondum  
Administrative Director
